Through hands-on, interactive activities Dr. Jennifer Johnston-Jones will guide you through the steps to rediscover your own strength, perseverance, and creativity by overcoming perceived limits then applying these hard won lessons in building your business.

ADMISSION COST: \$20

Continental breakfast and lunch will be provided.
Reservation required.
Space is limited.

ENTREPRENEURSHIFT

Dr. Jennifer Jones is an internationally acclaimed speaker, psychologist, executive coach, and expert in the psychology of success. She is known for her uncanny ability to launch people of all ages and backgrounds to reach beyond their fears, stop playing small, and manifest their dreams into reality. Dr. Jones is the Founder and CEO of **EntrepreneurShift**, an app and live event program which shifts the paradigm from a wealth-based model of success to Authentic Success (financial freedom paired with purpose, depth, and joy) via modern neuroscience. Dr. Jones has a Ph.D. in Clinical Psychology and has studied at the University of Oregon, Alliant University, and UCLA Neuropsychiatric Institute.
